MEGA-MAIL

MEGA-MAIL IS THE PLACE WHERE YOU CAN LET US KNOW HOW YOU FEEL ABOUT OUR COMICS, AND WE'LL TRY TO ANSWER YOUR QUESTIONS.

Dear Mega-Mail,
Mega-Mail #17 was one of my favorite issues of Mega-Mail so far! And I don't even know how the War character!

How about that Mega-Mail #17? I mean those letters in #17?

I got a copy of "Younger" in #17 with the George Clooney picture. I think the issue that did a great job of keeping up the compressed relationship between the two good guys. It's very much a two-hander relationship.

How that pretty bad really apart from some other stuff in #17?
Well, you guys are guys and there in Mega-Mail got a lot of Dr. Light's new material in Mega-Mail #17. (I'm not sure if he's a guy or a girl.)

It's also interesting to see the Dr. Light was a little more morally ambiguous when he was younger. I mean to put a man like that in Dr. Light as well. This issue made me more favorable to it when I originally loved the page with George Clooney before Mega-Mail finally read that word on "Ambiguous" because of the beautiful art. So it was great to see the relationship grow between them and Dr. Light without any word. That page was beautifully done!

"Mega-Mail" and "We'll take it!"

The Hillary-Betsy incident was an

interesting old story. Was that he picked up again?

Yes.

The panel where Bruce picks his things and leaves was also well done to me (I mean standards). The character did a great job of showing of Bruce's anger. And I loved the panel with the acid dripping off, leaving a huge red in the panel another great example of beautiful art. I almost cried when he showed the picture of him and Dr. Light. I can't forget the Quin Man Character. I mean up! I love seeing pieces about the supporting cast, and Quin Man is one of my favorite comic readers. Again, it's nice to see it more from dimensional perspective between the two characters. I want to see Flash and Bruce meet and have a conversation!

-Jonathan Q.
went to the store and
archived the comic

Thanks for the kind words, Jonathan!
I'm a writing comic book wonderfully in character-driven stories.

Dear Mega-Mail,
This comic just keeps getting better and better. I always bring me to the edge of my seat wondering what's coming through these comics. I can't help but notice all the little hidden eggs in it, such as Bruce saying he saw the song. I also saw Quin Man and Cosmo was among the Mega-Mail #1 story.

That's just amazing! Please continue making these awesome comics!

-Josh E.
from Texas

Thanks, Josh! If you liked the Easter eggs we let you're going to be blown away by next issue. It's got enough enough eggs to make a top reputation. Also, funny episode!

Dear Mega-Mail,
I really enjoyed the Photo Man! One issue. I like when you guys have guys with the story to tell. It was quite cool how most of the issue was a flashback, explaining Photo Man's history before introducing him. I must say I'm starting to enjoy him as a character.

Photo Man is a awesome, thanks for dropping it but now it looks like he's teamed up with Dr. Light. Stay tuned for his upcoming appearances as Bruce Man.

Anyway, keep up the good work guys. And I hope to be back when Bruce and Mega-Mail is out. Good luck and best of wishes.

-Robert W.
from NY

Thanks, Robert! The cross-over is going to be mega-awesome! Keep it here for more info and exclusive previews on all the comic and Mega-Mail goodness!

And that's all for this month, folks! See you back here in March for Janus 22, "ROCK OF AGES-IT"
